About Pod Meets World

Danielle Fishel, Rider Strong & Will Friedle host Pod Meets World, an iHeart Media podcast where they rewatch, and earnestly react, to the '90s sitcom they starred in, *Boy Meets World*, now 30 years later. Accumulating over 13 million downloads in just 6 months, the show's humor and emotional revelations have turned an innocent attempt for friends to watch their teenage selves on TV, into a worldwide phenomenon. In addition to watching the episodes in sequential order, they've also interviewed actors who appeared on the show, like Adam Scott, Ethan Suplee and Kathy Ireland, and reconnected with the writers and producers who not only created *Boy Meets World*, but shaped their lives. And now they're taking the podcast on the road!

Join the real-life Topanga Lawrence, Shawn Hunter & Eric Matthews as they share even more stories from set, create interactive moments and answer your questions. Also, they might just have an unbelievable prize for the best *Boy Meets World* costume in the audience, so come dressed up! It'll be a fun night at Chubbies, so don't miss out on this once-in-a-lifetime pop culture celebration.
